## GBS Trusted Company Limited

### Project Accomplishment Report

**Project Name:** Installation of AC, CCTV camera, Plumbing, and Wiring Installation

**Project Location:** Zanzibar, Tanzania

**Project Year:** 2022

**Client:** The Power Villa Zanzibar

---

#### 1. Project Overview

GBS Trusted Company Limited successfully executed the installation of essential services at The Power Villa Zanzibar in 2022. The project included the installation of **CCTV cameras, air conditioning systems, plumbing, and electrical wiring** to enhance safety, comfort, and operational efficiency of the villa. All works adhered to international standards to ensure reliability and quality.

---

#### 2. Scope of Work

1. **CCTV Camera Installation:**
    - High-definition CCTV cameras covering all critical areas.
    - Integrated monitoring system for 24/7 surveillance.
  2. **Air Conditioning Installation:**
    - Split and centralized AC units installed in rooms and common areas.
    - Testing and commissioning for optimal performance and energy efficiency.
  3. **Plumbing Works:**
    - Installation of water supply and drainage systems with durable fittings.
    - Modern fixtures implemented for functionality and aesthetics.
  4. **Electrical Wiring:**
    - Complete electrical wiring installation across the villa.
    - Organized cable management and compliance with safety standards.
- 

#### 3. Project Execution

- **Project Management:** Dedicated project management team ensuring smooth execution.
- **Quality Control:** All installations underwent strict inspections and testing.
- **Timeline:** Successfully completed within the planned 2022 schedule.
- **Safety Measures:** All work followed rigorous safety protocols.

---

#### 4. Project Accomplishments

- Successful installation and commissioning of **CCTV systems** covering all key areas.
- Full **air conditioning installation** providing reliable, energy-efficient cooling.
- Completion of **plumbing works** with leak-proof systems and modern fixtures.
- Full **electrical wiring** installation with compliance to standards.
- Positive client feedback highlighting timely delivery and quality workmanship.

---

#### 5. Conclusion

The Power Villa Zanzibar project demonstrates **GBS Trusted Company Limited's commitment to quality and client satisfaction**. The project successfully enhanced the villa's security, comfort, and operational efficiency through high-standard installations of CCTV, AC, plumbing, and electrical systems.
